

LED 'T' BULBS

Lights
All Around

Overdrive T- shape LED Bulbs are fast replacing HID lamps. Thanks to the innovative shape, this bulb prevents shadows that normally appear at the beam edges. The High grade T Shape PC Plastic diffuser minimizes the glare and are directional to provide uniform light spread on floor and on all sides.

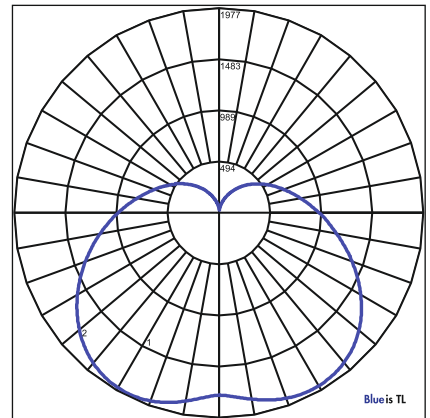

Applications:

Shop Lighting, Factory lighting, Outdoor light posts, security outdoor lighting.

Specifications

Input Line Voltage	240V AC
Input Line Frequency	50Hz
Lamp Life (Rated)	15,000
CRI	>80
Lumen/Watt.....	>90

Typical Light spread of T Bulbs
